

Announcement

Croatian Genetic Society
is organizing the

Second Congress of Croatian Geneticists

with international participation

which will be held in the Velaris, Supetar, the Island of Brač, Croatia, from September 24 to 27, 2005. The Scientific Programme will emphasize the most recent and exciting developments in genetics and their relation to biotechnology, agriculture, medicine, population, resources and environment. It will consist of plenary lectures, oral presentations and posters, grouped into main topics as follows:

1. *Gene structure and function*
2. *Genomic organization*
3. *Applied molecular genetics*
4. *Mutagenesis, recombination and repair*
5. *Genetics and agriculture*
6. *Genetics, environment and society*

Organizing Committee

Đurđica Ugarković (President), Krešimir Gjuračić (Secretary), Ksenija Durgo, Vesna Eraković, Sandra Gregorić

Scientific Committee

Jasna Franekić Čolić (President), Višnja Bačun-Družina, Višnja Besendorfer, Verica Garaj-Vrhovac, Krešimir Gjuračić, Daslav Hranueli, Srećko Jelenić, Davorin Kajba, Vinko Kozumplik, Dragan Primorac, Miroslav Radman, Ivica Rubelj, Mary Sopta, Đurđica Ugarković, Siniša Volarević, Zoran Zgaga
