

## DECLARATION OF AUTHORSHIP

Each author individually must fill in the following document before the acceptance of their manuscript for publication.

Article no.:

Author's name:

ORCID ID:

If you do not have one, please register for free at <https://orcid.org>

Contact (institution, address, phone/fax, obligatory):

E-mail (obligatory):

Authors' contribution (obligatory):

I declare that I have participated in at least several of the following steps in the realization of this manuscript (tick what is applicable): designing/performing experiments, processing/interpreting data, preparation of manuscript, writing/revising the manuscript.

With my signature I declare that I have read the entire version of the manuscript submitted for publication in *FTB* and that its content is true, and complete and accurate interpretation of the research done by the authors of this paper.

Signature: \_\_\_\_\_ Date: \_\_\_\_\_

## STATEMENT OF CONFLICT OF INTEREST

The Journal bears responsibility to readers to disseminate information that is not biased by the third party. *FTB* trusts that scientists approach us with honesty and integrity. Authors are asked to disclose any potential conflict of interest that may be at odds with unbiased presentation of research data:

I attest that all my affiliations are stated on the title page.

If not, state them here:

All the fundings for this research are stated in the acknowledgement section of the manuscript.

If not, state them here:

I confirm that my supervisor/head of department/institution is aware of the contents of this manuscript and has approved publication of all its contents.

Yes.

No.
